MISSED APPOINTMENT (NO-SHOW) POLICY

Patient Name: _____ DOB: _____

Please **read carefully**, and **initial** below:

At CHCCO, our goal is to provide excellent service in a timely manner, and we need your help.

Canceled appointments, missed appointments, and arriving late for an appointment all affect our ability to stay open, on schedule, give timely appointments to patients who need them, and provide an excellent level of care. We make an effort to be accommodating in our scheduling, so that the needs of our patients can be met. Although we have always asked our patients and their families to notify us if they will be unable to make their appointment, circumstances have made it necessary for us to implement a Missed Appointment Policy. We want to make certain that appointments are kept available for those patients who need and desire them.

_____(initial) If I am unable to come to my appointment, I will notify CHCCO as soon as possible, and no later than **24 hours** before the appointment.

_____(initial) If I don't show for an appointment, or if I reschedule within 24 hours of my appointment, I will be charged a fee of $100, and this will not be covered by my health insurance plan.

_____(initial) If I am more than 15 minutes late for an appointment, the appointment may need to be rescheduled.

_____ (initial)Patients with multiple no-shows will not be rescheduled, so that appointment times can be made available to those who need and desire them.

I, (print)_____ (patient or responsible party), acknowledge that I have read and understand the statements above, and that I am responsible for charges to my account.
